Madeira Magic I

Madeira Magic I Villa was previously the village school, parts of it being over 150 years old, it has been fully renovated to a high standard and sleeps up to 5 people.

It has a real fire to warm your feet after a nice walk, a BBQ & Patio to enjoy on those mild Maderian evenings, fully fitted Kitchen. Basically everything required for an enjoyable holiday. Not forgetting to mention the Most Fantastic Views!

Located only 15 minutes from the airport and main city of Machico, with great walks on your doorstep, fantastic views, a nice cafe/bar next door with the best Coffee, & Poncha on the island. What a fantastic location !

There is a bus stop close by the house and is a pretty good service, but to appreciate the full beauty of the Island I would recommend a car, we always hire one. We find it most convenient to use an airport car hire company.

There is a Lido complex in Porto da Cruz (5 minutes by car from the house), is very good and has a massive sea water pool and lots of sunbathing decks.

The Villagea has a small sandy beach in a small cove, where surfing is popular. Only 10 minutes by car there is also a Fantastic Golden Sandy Beach in Nearby Machico.

How to get around

Car Rentals

Car Rentals are available from the Airport or from City Centres. We always hire a car and find it most convenient to pick up from the Airport.

Public transports

If you prefer to use public transports, there are several bus companies to take you to the most interesting tourist spots at low cost. The tourist information offices can provide you with guides of the bus timetables and routes.

Taxis

Taxis are available at Madeira airports and the main hotels, and there are taxi ranks in a number of streets and squares in Funchal.

We have engaged the services of a local English speaking Taxi Driver (Gabriel) who will pick you up from the Airport and can also take you to local places of interest (Gabriel will not charge you any more than the going rate.) Airport pickups can be arranged through us so please contact us before you travel.

Please also contact us if you would like prices for the taxi fare to local points of interest.
